Imran Sheik

Aspiring Developer

■ imranartisian@gmail.com | ■ +91 7010532395

■ Objective

Motivated and detail-oriented Aspiring Developer with skills in Python, Web Development, and Problem-Solving. Passionate about building practical projects, learning modern technologies, and contributing to real-world solutions.

■ Technical Skills

- **Programming Languages:** Python, C, JavaScript
- **Web Development:** HTML, CSS
- **Concepts:** Object-Oriented Programming (OOP), File Handling, Error Handling
- **Other Skills:** Basic MySQL, API Integration, No-Code/Low-Code Tools

■ Projects

Student Manager (Python)

Built a system to add, delete, and view student marks. Implemented OOP, File Handling, and Try-Except for error-free performance.

To-Do List Planner

A task management app for planning daily activities. Developed with Python basics.

Fitness Websites (BuiltUp & VibeFit)

Designed aesthetic 3-page fitness websites using HTML, Tailwind CSS, and Bootstrap with animations.

■ Education

Bachelor's Degree in Biomedical (Ongoing)
[Your College Name]

■ Strengths

- Problem-solving mindset
- Quick learner of new technologies
- Team collaboration and communication skills
